OPPOSITION TO REQUEST FOR EXTENSION OF TIME

Caprock Educational Broadcasting Foundation ("Caprock"), by its counsel, herewith submits its opposition to the REQUEST FOR EXTENSION OF TIME filed by Williams Broadcast Group ("Williams") in the above-captioned proceeding. In support whereof, the following is stated:

1. Williams states that it has obtained new evidence of violations to support its petition to deny. New evidence does not properly belong in a reply pleading. Furthermore, Williams has not complied with Section 1.46(c) of the Commission's Rules requiring parties to notify other parties that such an extension request is being filed. Undersigned counsel has his answering machine turned on 24 hours a day so that messages can be left at any time in the event he cannot answer the phone. He also has a fax machine which is turned on 24 hours a day. Therefore, there is no excuse for this flagrant disregard of the Commission's Rules.

2. If Williams is intent on judging other applicants for their alleged rules violations, he ought to get the log out of his own eye.

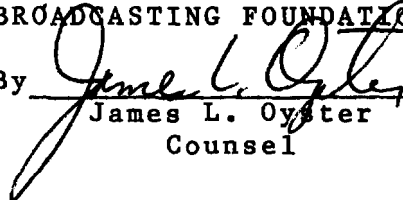

WHEREFORE THE PREMISES CONSIDERED, it is respectfully requested that the request for extension of time filed by Williams Broadcast Group against the above-captioned application be denied.

Respectfully submitted,
